

Sept 2024

A Message from Our Principal Zeina Jebril...

Greetings Pioneers!

I hope that your summer was relaxing, filled with adventures and good health.! Whether you were able to travel over the summer or just relax at home, I hope that you have been able to enjoy your favorite summer activity with family and friends. The beginning of a new school year reminds us that the future holds infinite possibilities, has the significance of new beginnings and begins filled with hope, vision and excitement.

We have had a smooth and outstanding start to this school year. Our staff has been working hard on building relationships and getting to know students while also establishing norms, routines and procedures. We rolled out all policies along with rebooting PBIS (Positive Behavior Interventions & Supports) as we plan on implementing it with fidelity in an attempt to improve our climate and culture. Click here for a copy of the [DHS Student Handbook 2024-25](#). Orientation and Open House were a huge success as parents met teachers and had the opportunity to speak to representatives from our various clubs/teams, etc.

We welcome a new interim assistant principal to our admin team, Ms. Noral Huda Charara who comes to us with experience from across the district.

At DHS, we pride ourselves on working closely with families to help our students prepare for the future. Together we can bridge a partnership that empowers students to reach greater strides academically and socially. Our focus will be on making sure all of our students' needs are met. High academic achievement is an expectation for all DHS students.

Instilling student self-worth is another goal we have for students. They need to know that they contribute so much to this world. Through mindful discovery, confidence, and eagerness, we can help students acknowledge their own potential. We encourage all students to participate in after school activities, such as sporting events, clubs, tutoring, etc. Getting involved in school events enriches our students' experience in high school and helps them become invested in their school. We also hope to see many of our dedicated parents attend events. Working together, we can make DHS a model school. I am a firm believer in the old adage, "It takes a village to raise/teach a child!" I encourage you to approach this year at Dearborn High exhibiting our 6 Pioneer Traits of Leadership which are empathy, mindfulness, accountability, communication, motivated, and critical thinking.

Please make sure your information is correct and updated in [ParentConnect](#) and use it to monitor your student's grades and attendance.

I want you to know that I have an open door policy, and I always welcome your input. Please feel free to contact me or our wonderful office staff, at any time to discuss any questions or concerns that you might have throughout the school year. In partnership with our amazing administrative staff, we look forward to collaboratively working with you as a team to help each student at Dearborn High School meet their fullest potential. For the most updated information, please subscribe to our school website, <https://dhs.dearbornschools.org/>. Make sure you have current email addresses on file with us to get regular communication.

Thank you for your partnership and I look forward to an outstanding year! I wish everyone the greatest success as we welcome our students to their educational journey of 2024-25.

Zeina Jebril, Ed.S.

Principal of Dearborn High School

Getting to Know Our New Assistant Principal

My name is Noor Charara, and I am very excited to be the interim assistant principal at Dearborn High School. I'm excited to get to know all of you and become part of our school community.

A little about me: I have worked in Dearborn Public Schools for seven years. I have been a 7th-grade Teacher at Woodworth Middle School and a 3rd-grade teacher at Snow Elementary. I recently completed my admin internship at Haigh Elementary and Fordson High School.

I'm passionate about education and helping students reach their full potential. My door is always open if you need to chat, have concerns, or want to say hi. I look forward to seeing you in the hallways, at school events, and around campus.

Sincerely,

Noor Charara

Assistant Principal (L-Z)

Dearborn High School

Attention All Parents

DHS values the input of all Pioneer Families.

[DHS Pioneers Suggestion Box](#)**

A message from the Math Department

Math, YES you can!

Math in the real world...

Our 21st-century high-tech society requires a workforce with mathematical skills beyond computation. Past generations of students were able to find jobs that required basic to limited understanding of mathematics. **This is no longer the case in our new economy.** There is a huge demand by companies for workers, who can think mathematically. “So many of today’s career [pathways](#) are dependent on strong math skills and the ability to work comfortably with numbers.” Forbes 2019.

What are we doing about it?

The DHS Math Department is working as a professional learning community to implement instructional and assessment strategies that will help your student increase their computational fluency, conceptual understanding and reasoning skills. You have probably noticed that students aren’t merely practicing skills, they are expected to apply them in real world situations, **persevere** in problem solving and explain their reasoning every day.

$$\frac{\text{Perseverance}}{\text{Adversity}} = \text{Success}$$

Chat with the Central Office Staff!

Mark your calendar! On November 13th at 4pm, you are invited to a Chatting Event with Central Office Staff.

The following directors and executive directors from Administrative Service Center will be in attendance:

Maysam Alie-Bazzi – Executive Director of Staff and Student Services

Matt Osinski – Grounds, District Trades and Labor Supervisor

Danielle Elzayat – Health, Safety & Security Supervisor

Abe Mashour – Director of Student Services

Willanda Taylor – Special Education Coordinator

US Economics

US Government

SCIENCE (6 semesters)

Biology

Chemistry or Physics

Elective Science

MATHEMATICS (8 semesters)

Algebra 1

Geometry

Algebra 2

Senior Year Math

WORLD LANGUAGE (4 semesters)

Arabic, French, German, ASL, Spanish (2 years of the same world language)

PHYSICAL EDUCATION (2 semesters) P

E/Health

VPA ART (2 SEMESTERS)

Any visual, performing or applied arts electives

COMPUTER APPLICATIONS & Online Learning Experience

1 semester of MS (C or better) or HS Computer Applications

Welcome Freshman!

Welcome to this exciting new chapter! As you embark on this journey, always remember:

*You are more capable than you realize,
More resilient than you think,
More curious than you ever believed,
And surrounded by a community that cares
for you.*

*Embrace every challenge as an opportunity
to grow, and don't be afraid to ask for help
along the way. This is your time to explore,
discover, and shine. You've got this!*

Freshman - Frequently Asked Questions

Q: How do students sign-up to play sports? *Fall sports began August 12.*

Contact the appropriate head coach.

<https://iblog.dearbornschools.org/dhsathletics1/athletics-home/>

Q: Is a Health Appraisal form required for all freshmen? All students must submit a green “physical” form signed by their physician. Students involved in athletics are required to submit a white “sports” form.

Q: How can a parent regularly monitor student grades & attendance? Every parent and student will receive Parent/Student Connect passwords via email at the beginning of the school year. Middle school passwords carry over to the high school. Access begins 2 weeks into the school year.

Q: How many days of school can students miss and still earn credit for graduation? Students who miss more than 10 days (absences + tardies combined) may receive reduced credit. Extended vacations are strongly discouraged because students can possibly get reduced credit.

Q: How do students recover lost credit from a failing grade or excessive absences? ASAP (After School Academic Program) is offered every semester along with summer school. (There is a cost.)

Q: What should a student do if they experience a problem in a class? The student should start by having a private conversation with the teacher. If extra assistance is needed, parents and school support staff (counselor, social worker) will work with the student for a resolution.

About DHS - Student Clubs & Activities

Student Council

Hello Parents!!

Below are the teachers and the presidents and vice presidents of your student's council. If you would like to be on a parent volunteering committee, if you would like to sign up for events, please reach out to me or the advisors for that grade you want to work with. Your children can do the same thing.

Listen to announcements, email us, or the leaders of their council to see if they can join or participate and then run even for being on student council. I have attached the clubs and the advisors and events students can be a part of.

2024-2025 Student Council Advisors/ President and VP

Executive Board: Ms. Altomonte

★ President: Jacob ElHassan

★ Vice President: Nora Souwaidan
