

Dear Parents and Guardians of the Class of 2025,

As we approach this year's graduation ceremony, we are filled with pride and excitement for our students' achievements and their bright futures ahead. Commencement is a special milestone, and we are committed to ensuring a safe, comfortable, and memorable celebration for all involved.

Due to growing attendance and ongoing capacity limitations at Dearborn High School, we are piloting a ticketing system for this year's graduation ceremony. Each graduating senior will receive **six (6) guest tickets** for family and friends to attend the event. This change aligns with the procedures already in place at both Edsel Ford and Fordson High Schools and is necessary to support venue capacity limits.

We understand that graduation is a meaningful event for many loved ones, and limiting attendance is not a decision we made lightly. Our primary concern is the safety of all guests and students, as well as the quality of the experience for everyone in attendance.

To support families who may need additional access, we will continue to livestream the ceremony so extended family and friends can join the celebration virtually. More details on the livestream and ticket distribution process will be shared in the coming weeks by Ms. Jebril.

Thank you for your understanding and support as we celebrate the Class of 2025. Should you have any questions or special circumstances, please feel free to reach out to the staff at Dearborn High School.

Sincerely,

A handwritten signature in black ink that reads "Adam Martin".

Mr. Adam Martin

Executive Director of Student Achievement
