

Expect Respect!
is the theme for our 2025
Care to the Core day

Wednesday, October 16th

Our Pioneer family is preparing to celebrate Dearborn Public School's Care to the core day.

At Dearborn High School we are creating a picture gallery
featuring pioneer students and staff, holding a sign indicating what respect is to them.

Take some time to discuss respect at home around the dinner table. Get ready for your picture.

What does respect mean to you? **Here are some ideas to start you off**

RESPECT IS

- Letting people be themselves.
- no judgment.
- celebrating our differences.
- Treating people the way you want to be treated.
- Being honest, even when it's hard.
- Accepting people for who they are.
- Listening with your full attention
- Caring about my feelings.
- valuing different opinions.
- Encouraging me when I struggle
- Cheering for my success
- Including me in conversations and activities
- giving me feedback gently
- Keeping your word
- Asking before assuming.
- Believing I am doing the best I can
- Helping clear the table
