

A Message from Our Principal Zeina Jebril...

Greetings Pioneers,

We've had a great start to the second semester and I'm eager for the great things we have planned for 2026! It has been wonderful welcoming students back, and we are excited about the learning opportunities, activities, and successes that lie ahead in 2026. We truly value your continued support as we work together to help every student thrive.

January 2026

I would like to emphasize the importance of regularly monitoring your student's grades and attendance through a ParentConnect account. If you do not yet have access or need assistance setting this up, please contact the main office and we will be happy to help. In addition, teachers use Google Classroom to post assignments and important class information that students can access from home.

To help keep families informed, I send a weekly email via Parent Square with school events, updates, and reminders. If you are not currently receiving these emails, please call the office to ensure we have your correct email address on file. You may also subscribe to our school website at <https://dhs.dearbornschools.org/> to receive updates. The website includes contact information for staff members who are available to support you and your child.

Regular attendance is essential for student success. Please make every effort to ensure your child is in school each day. Students who miss 10 or more days may be at risk of losing course credit and other privileges such as co-op, dual enrollment, etc. If your child must be absent, please report it by calling the attendance line. If your child needs to leave school early, contact the attendance office so we can properly document the dismissal. We kindly ask that parents avoid calling or texting students directly during the school day to arrange early dismissal.

I strongly believe that a strong partnership between home and school makes all the difference. It truly takes a village to educate and support our children. My staff and I welcome your communication and are always willing to listen, collaborate, and support our students in any way we can.

Thank you for your continued partnership and trust. We look forward to a successful and rewarding semester together.

In partnership,

Zeina Jebril, Ed.S.
Principal
Dearborn High School

Getting to Know Our New Assistant Principal

Dear Dearborn High Community,

My name is Maymon Mustafa and I am honored to be joining Dearborn High School as your new Assistant Principal.

I grew up in the Southend of Dearborn, so I am a Southender through and through. I attended Salina and graduated from Fordson High School in 1989. I then attended Wayne State University and earned my Bachelors in Science Education and Master in Educational Leadership. I went on to teach Chemistry for eight years, including five years in Detroit and three years back at Fordson. In 2013, I made the transition into administration and have proudly served as an Assistant Principal at Fordson for the past twelve years.

Education is personal for me. My own children are proud products of Dearborn Public Schools, and I have always believed in giving back to the same community that shaped me.

Now, I know what some of you are thinking... *a Fordson grad at Dearborn High?* While I will always carry Tractor blue in my heart, I'm ready (and excited!) to cheer for the Pioneers and work alongside this incredible school community.

I look forward to getting to know our students, families, and staff as we continue building on Dearborn High's tradition of excellence. Thank you for welcoming me, I can't wait to get started!

Sincerely,
Maymon Mustafa

Freshman - Frequently Asked Questions

Q: How do students sign-up to play sports?

Contact the appropriate head coach.

<https://iblog.dearbornschools.org/dhsathletics1/athletics-home/>

Q: Is a Health Appraisal form required for all freshmen? All students must submit a green “physical” form signed by their physician. Students involved in athletics are required to submit a white “sports” form.

Q: How can a parent regularly monitor student grades & attendance? Every parent and student will receive Parent/Student Connect passwords via email at the beginning of the school year. Middle school passwords carry over to the high school. Access begins 2 weeks into the school year.

Q: How many days of school can students miss and still earn credit for graduation? Students who miss more than 10 days (absences + tardies combined) may receive reduced credit. Extended vacations are strongly discouraged because students can possibly get reduced credit.

Q: How do students recover lost credit from a failing grade or excessive absences? ASAP (After School Academic Program) is offered every semester along with summer school. (There is a cost.)

Q: What should a student do if they experience a problem in a class? The student should start by having a private conversation with the teacher. If extra assistance is needed, parents and school support staff (counselor, social worker) will work with the student for a resolution.

Debate Team

This year, the Dearborn High Debate Team has been in a growing mode as we took on several new students for the junior varsity team. Our varsity captains did a great job to guide them with their experience. Co-captains Ahmad Zawahreh and Amani Alfatlawi have loved helping the team and watching everyone grow. They are optimistic about next year's season and can't wait to see how the team continues to grow. Our Super Bowl which is called Super Session had two attendees, varsity, Amanie Alfatlawi and junior varsity, Hadi Hourani. This is an amazing achievement and is based on a pool of over 150 students. As a coach for the past 5 years it has been a privilege to watch students grow in speaking, research, and critical thinking skills. Next year our new coach will be Mrs Saleh-Hernandez. Her skill set and passion will surely help the team achieve great things.
